

CONNECTICUT COLLEGE

STUDENT COUNSELING SERVICES

The following information needs to be returned to the Director of Student Counseling and Health Services ***at least 21 days prior*** to your anticipated return to college. If paperwork is not received within a sufficient amount of time, a smooth re-entry to college may be delayed.

From student:

- Signed Authorization to Disclose Form

From Mental Health Provider(s):

- Provider(s) name, credentials, address, fax, phone and e-mail address (no relatives will be accepted as providers)
- Length and type of treatment
- Diagnosis
- Prognosis
- Current medications
- Recent history of success with employment and/or academics
- Ability to participate in college life, including academic, dorm, social activities, etc.
- Recommended accommodations
- Recommendations regarding continued mental health treatment and medications

Upon receipt of this written information, the Director of Student Counseling and Health Services (or designee) will contact the provider for follow-up. An interview with the student may also be required. Appropriate information regarding the student's return will then be forwarded to the appropriate Academic Dean and the Dean of Student Life.
