Tuberculosis (TB) risk screening is required of all domestic and International incoming students. International students who have received BCG vaccine are not exempt from the requirement for TB screening and testing.

Please answer the following questions:

- 1. Were you born in one of the countries or territories\* listed below? If YES, please CIRCLE the country or territory.
2. Have you ever had close contact with persons known or suspected to have active TB disease?
3. Have you ever lived or traveled for more than 1 month to one or more of the countries or territories listed above?
4. Have you ever had a positive Tuberculosis skin or blood test?
5. Are you receiving immunosuppressive therapy such as tumor necrosis factor-alpha (TNF) antagonists, systemic corticosteroids >= 15mg of Prednisone per day, or immunosuppressive drug therapy following organ transplantation?

IF you answered NO to all of the questions above, then no further action or testing is required. TB screening is completed. Sign, date, and return the form to Student Health Services.

IF you answered YES to ANY question above, then Connecticut College requires that you complete the Connecticut College TUBERCULOSIS TESTING FORM with your Healthcare Provider.
